Translation...

Please leave this side blank for translation.

- Be sure to write your sponsored student's **entire** name at the top. Many of the students have similar names—having the entire name helps staff members in Haiti with letter distribution.
- Please leave the column marked "Translation" blank. A bilingual JiHM staff member will personally translate each letter.
- Please type or print neatly for easy translation.
- **Mail the letter to:**

  JiHM Sponsorship Correspondence
  PO Box 82

  ***Please do not mail any payment, packages or other correspondence to the address above**, just your letter and other acceptable flat items (see right column).*

Guidelines & Tips

Keep it simple. Share about topics your student will understand, such as your pets, hobbies, music, sports, activities, favorite scripture verses and your relationship with the Lord. Use this as an opportunity to encourage your student in his or her relationship with the Lord.

Highlight the things that you might have in common. As you develop a friendship with your student, you may discover you have a shared interest, such as a passion for sports or an interest in music. Please refrain from discussing your possessions or other things that will call attention to your differences.

Include a photo of yourself and your family. Your student will treasure your picture. Due to cultural differences in dress standards, please be sure everyone in the photo is dressed modestly. For example, pool or beach attire would not be appropriate.

We are not able to forward gifts such as jewelry. Items acceptable to include with your letter are photos, postcards, or stickers.
