GRACE & PEACE

to my beloved friends,

Here we are again preparing ourselves for a new year. 2020 brought many challenges—among them coronavirus, job loss, school closings and economic downturn.

I am not sure what this year has meant for you, but I know that all of you have been impacted in some way.

During the times of quarantine, I found myself taking some time to reflect. As the virus multiplied itself across the globe, I thought of how God multiplies the gospel through His people and through gifts given by those who are faithful to Him.

Although we face many threats, Jesus tells us in John 14:1 to “Let not your hearts be troubled. Believe in God, believe also in me.” We live by faith as we continue trusting God with our lives. Even through heartbreaking moments, God uses His followers in amazing ways for His Kingdom. We can “let the peace of Christ rule in our hearts” no matter what circumstance we face.

Thank you for changing so many lives in Haiti through your prayers and actions. Merry Christmas and Happy New Year 2021!

Your servant,

 Roger Carole, JiHM Director of Operations
